

**9** It looks like this.

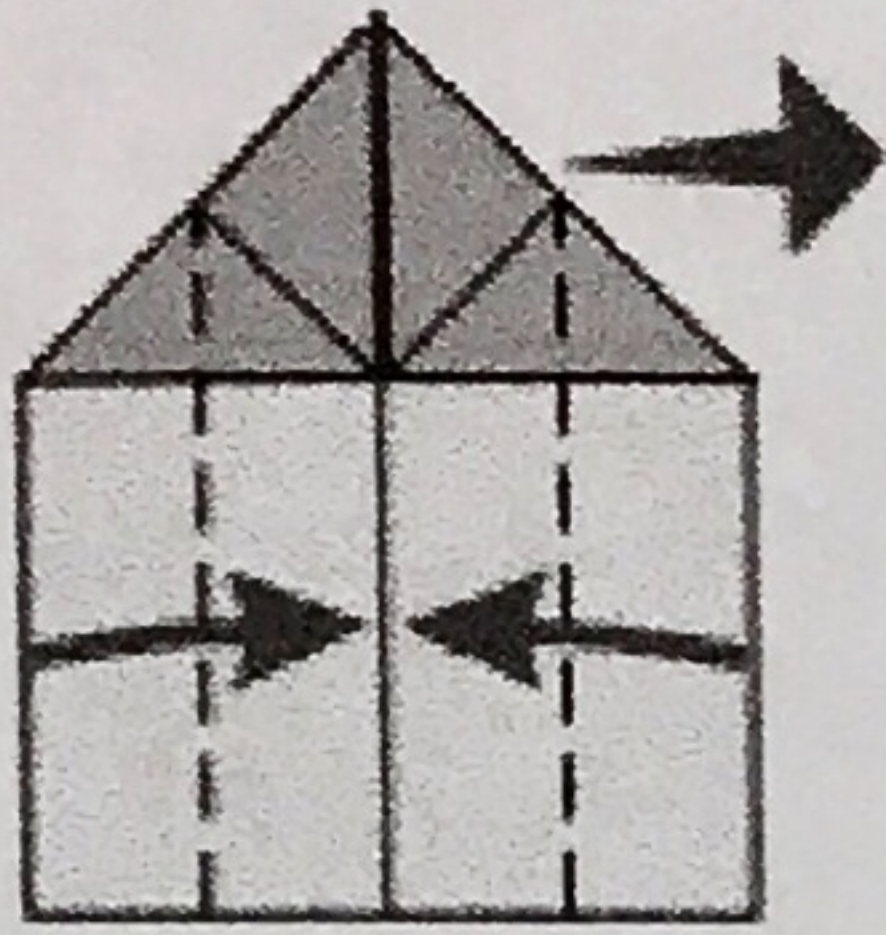

**10** Push the two dots together, as shown.

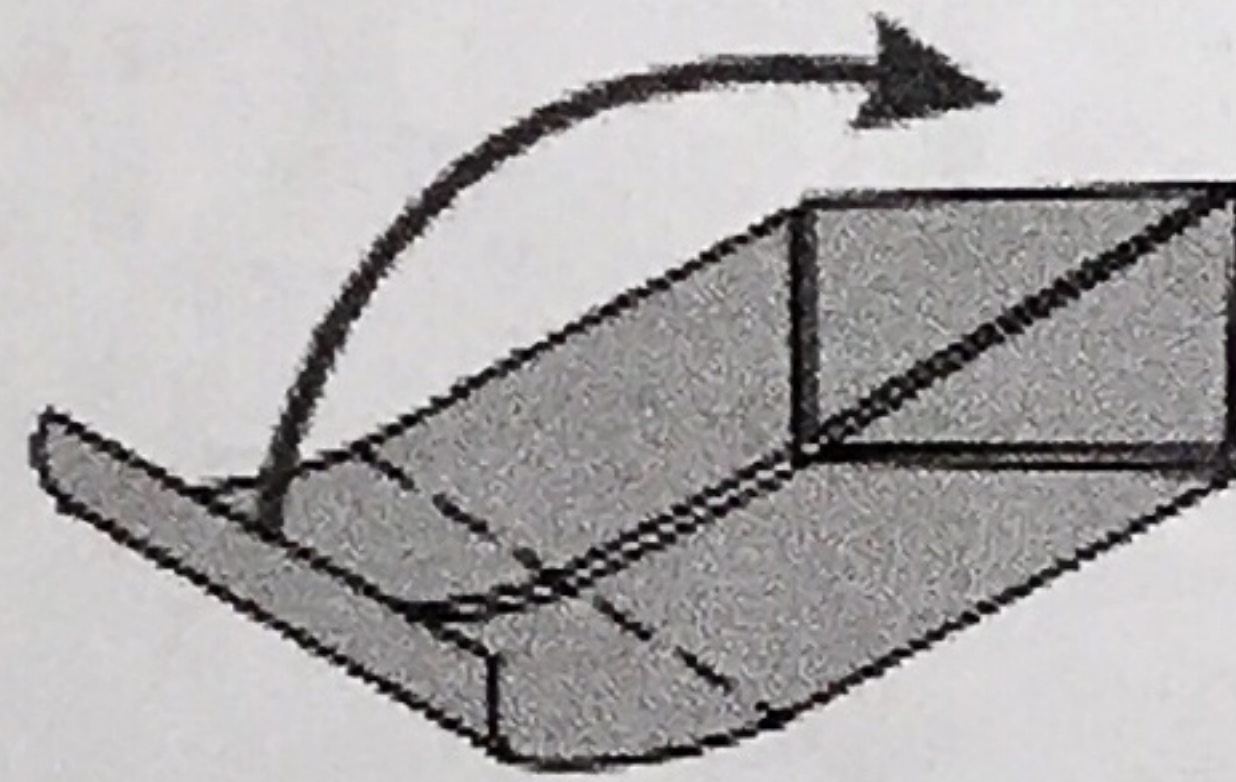

**11** Press the top triangle flat. Now it looks like a house.

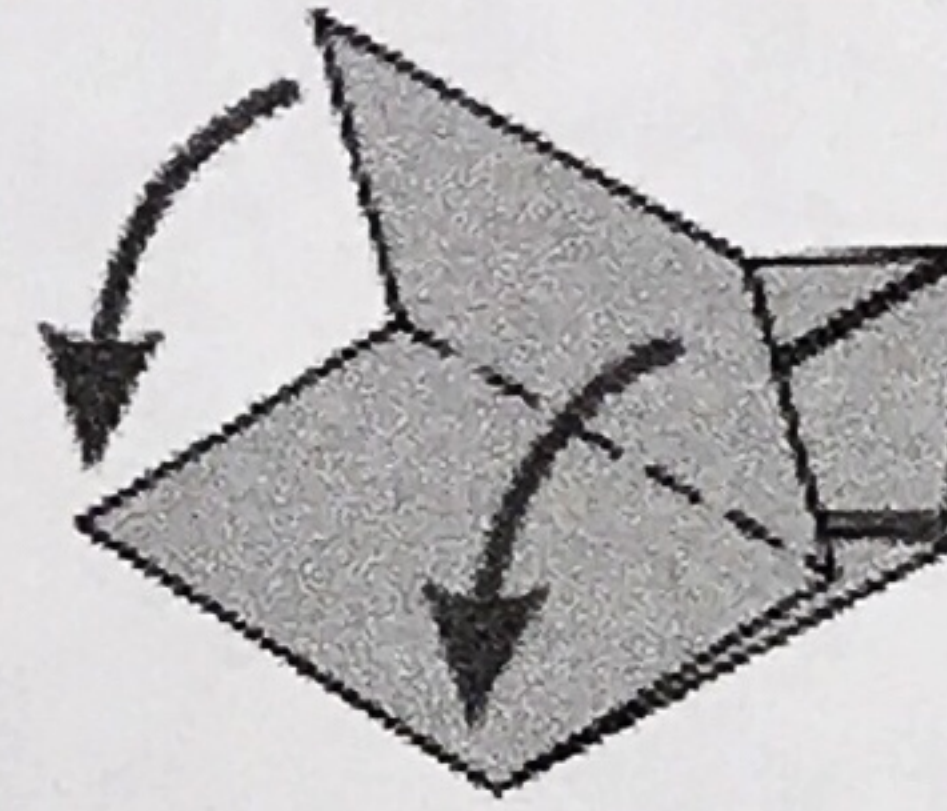

**12** On the top layer, fold the left and right side points to the top.

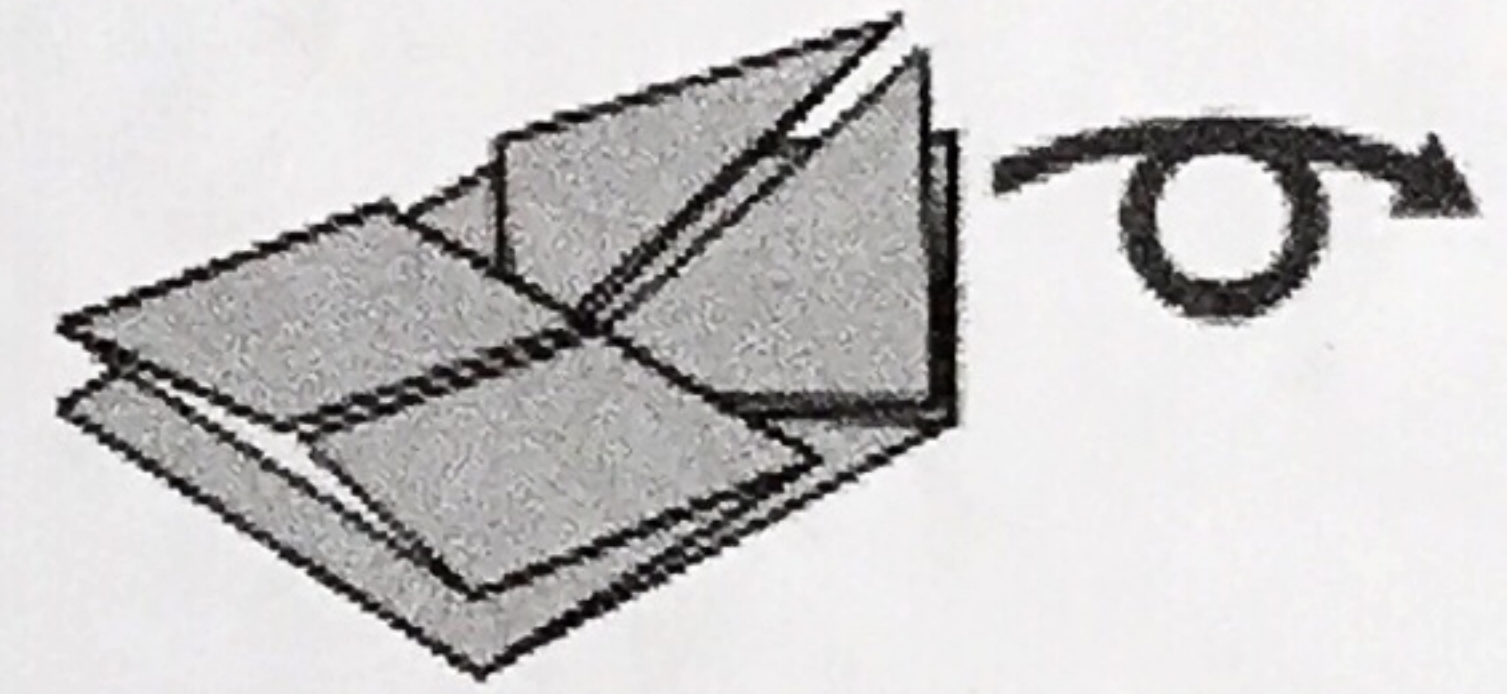

**13** Fold the left side in to meet the center crease. Repeat with the right side.

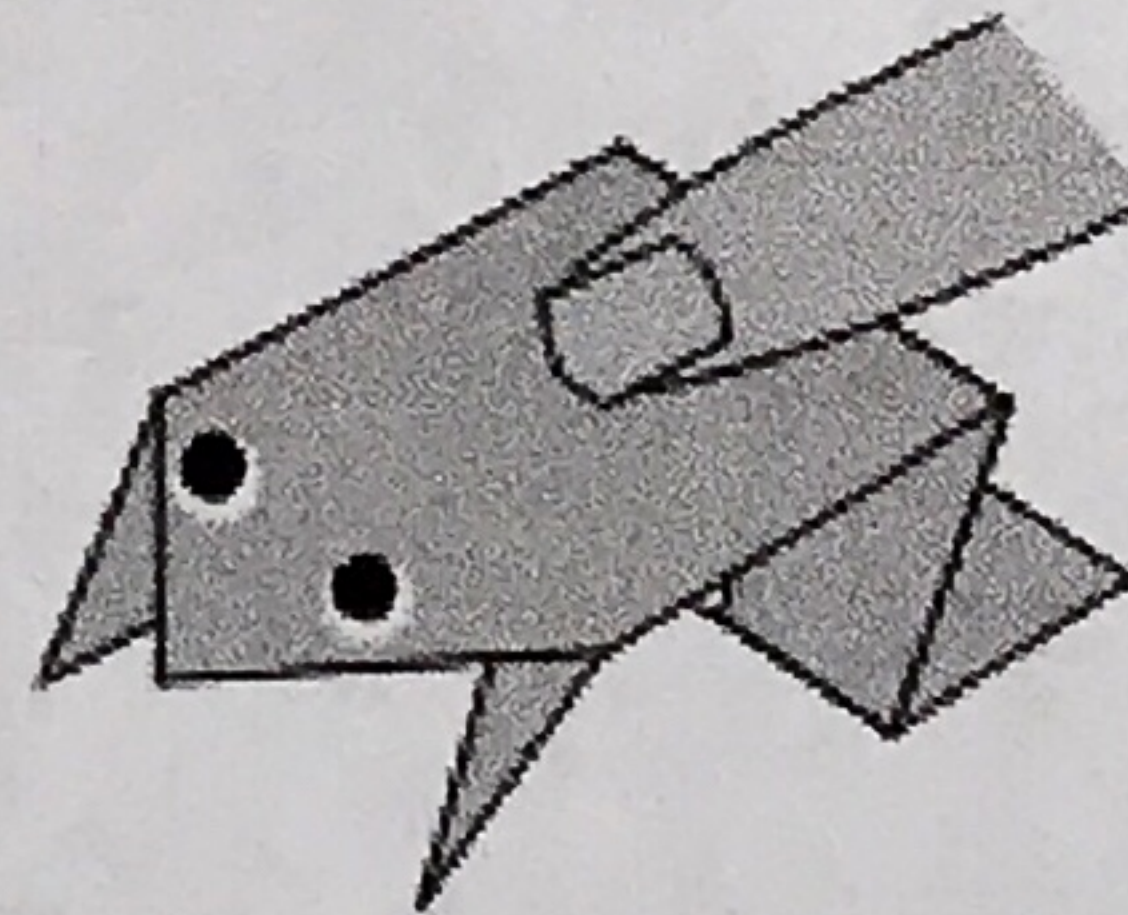

**14** Fold the bottom up to meet the top.

**15** Fold the top layer only, down to meet the bottom. Do not press completely flat.

**16** It looks like this. Turn over.

**17** Press down on the frog's back, then let go. See it jump!
